PRELIMINARY - TOOLS TO CONSIDER

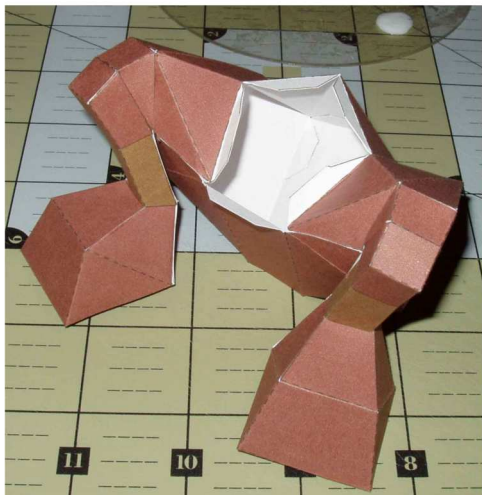

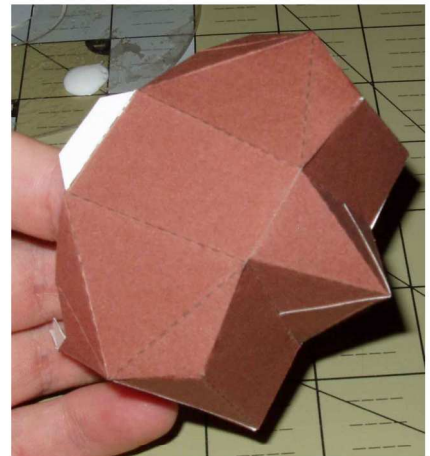

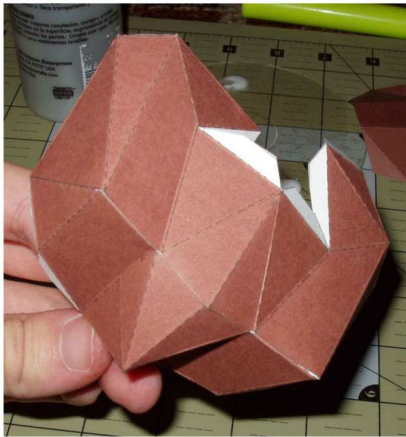

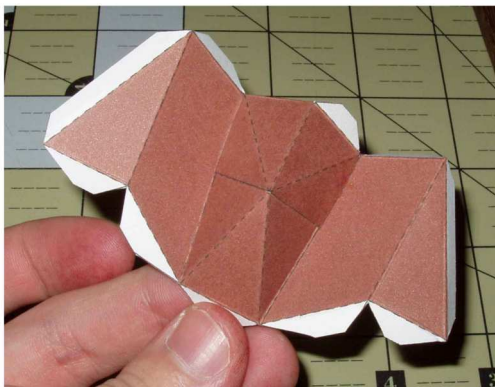

WHY IS HIS GRANDFATHER A FLOATING HUMAN?...

Construct parts 1-4 and 5-8

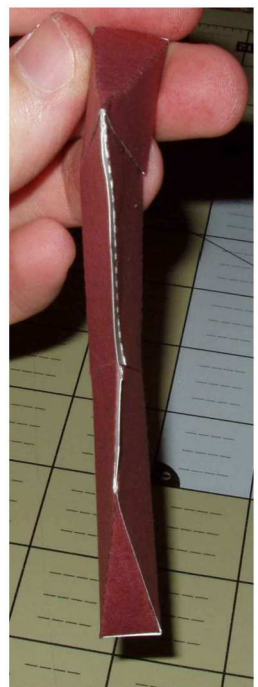

Construct parts 9-12

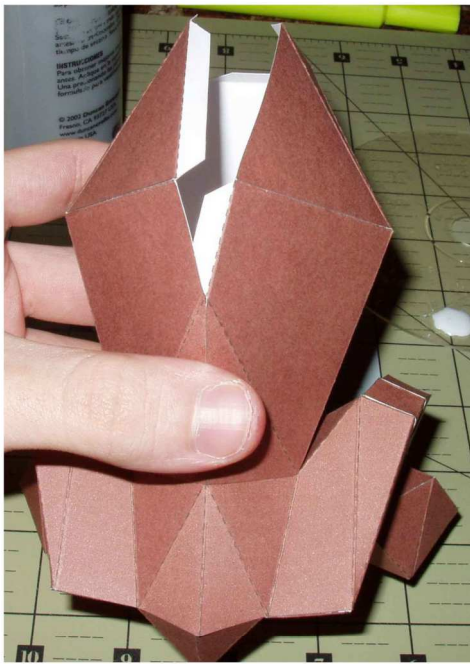

Attach the hind legs

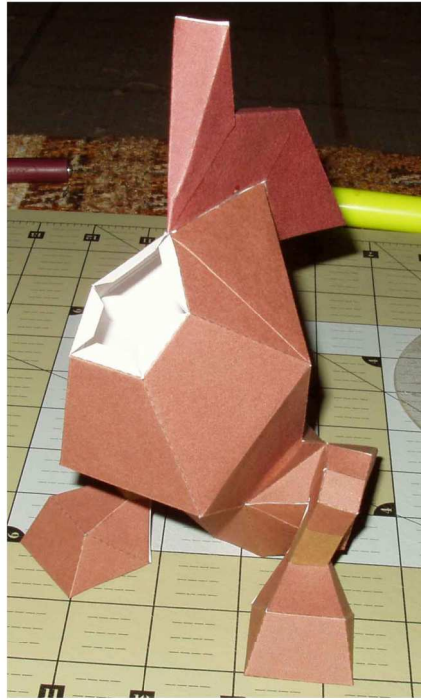

Construct parts 13-14, folding one tab of each pair in to close the shape, leaving the other tab hanging out of the shape, to attach to the body.

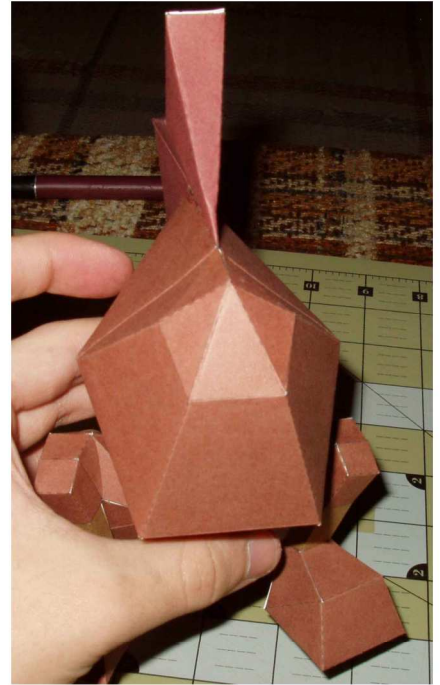

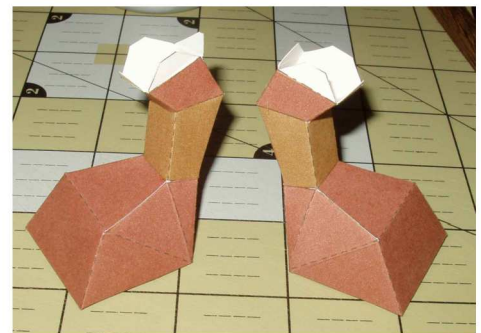

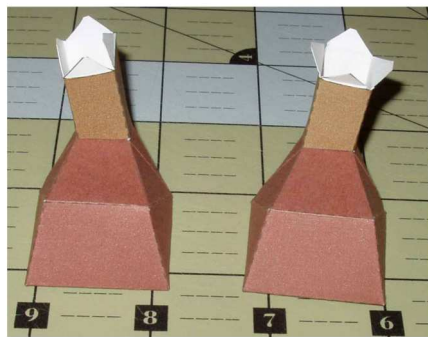

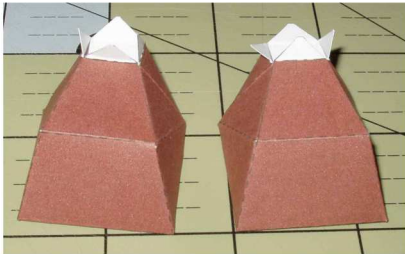

Attach part 15 to the hind legs, leaving it open as pictured.

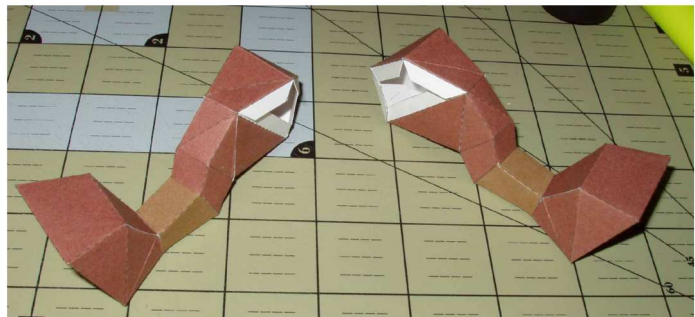

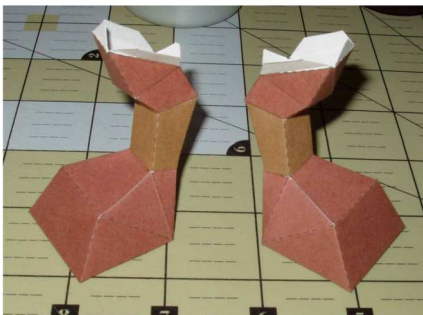

Glue the hanging tabs of parts 13-14 into the open part 15, then pinch the tabs of part 15 in behind them to close the shape.

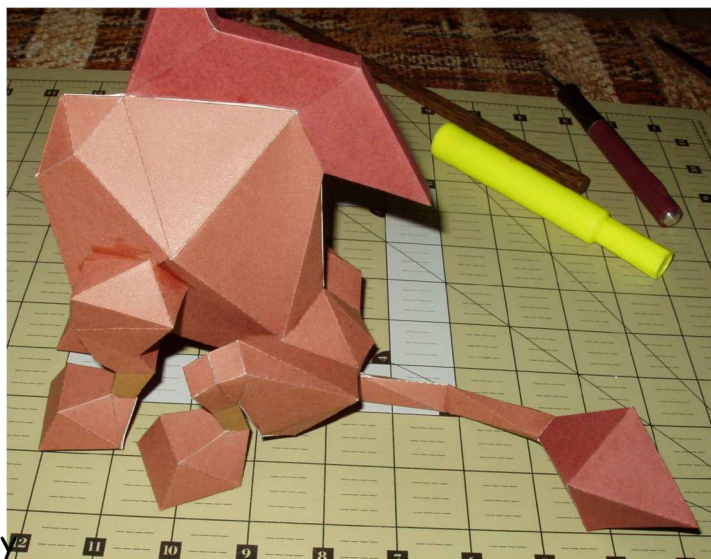

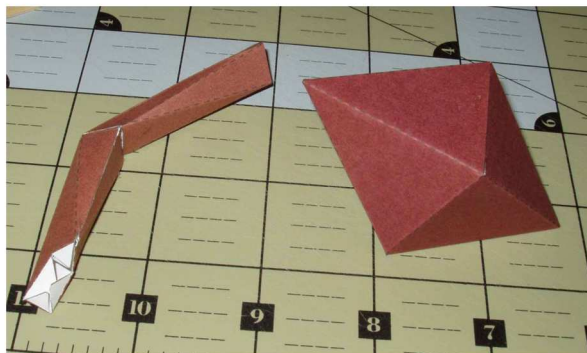

Attach part 16

Construct parts 17-21 and 22-26

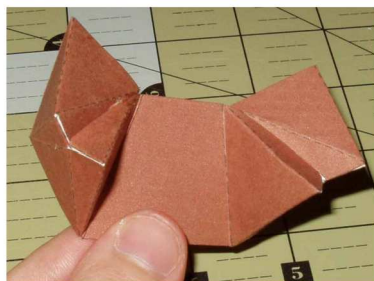

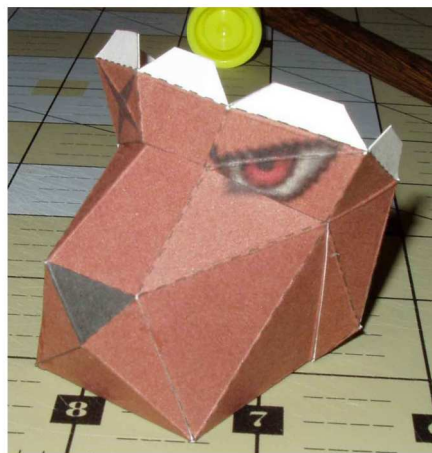

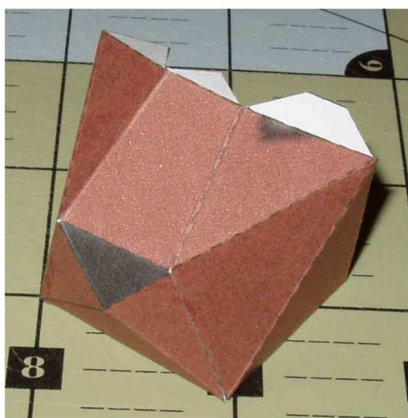

Construct parts 27-29

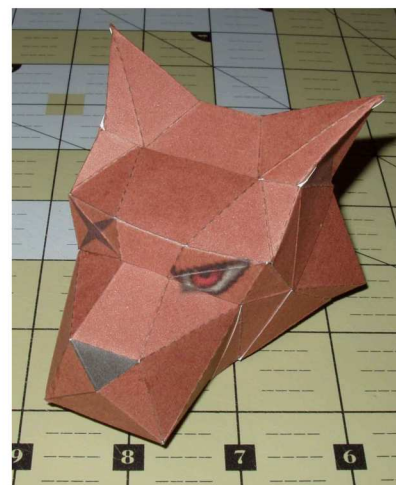

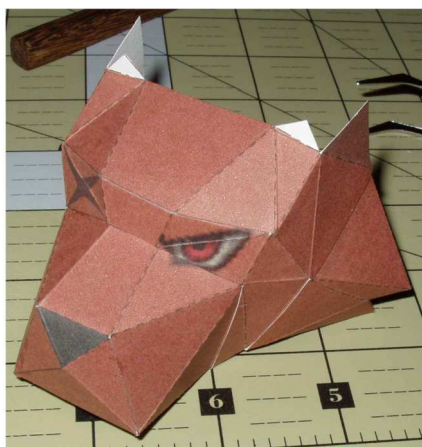

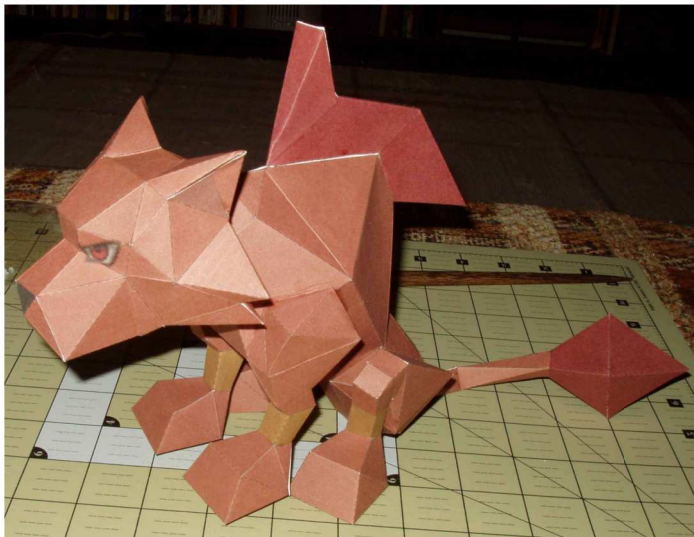

Attach the front legs and tail to the body

Construct parts 31-36

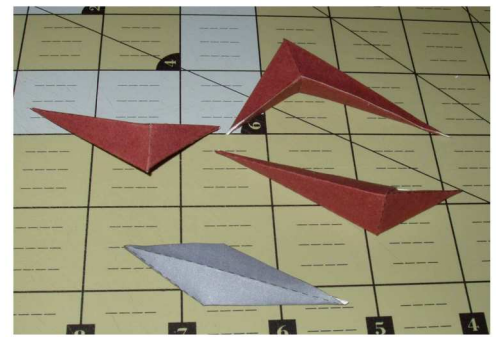

Pre-construct part 34 before attaching

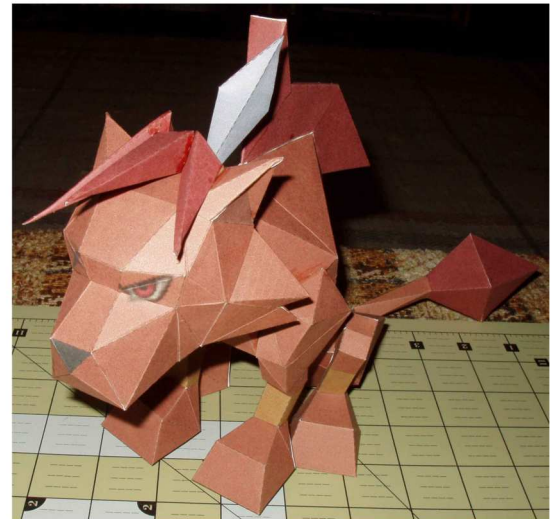

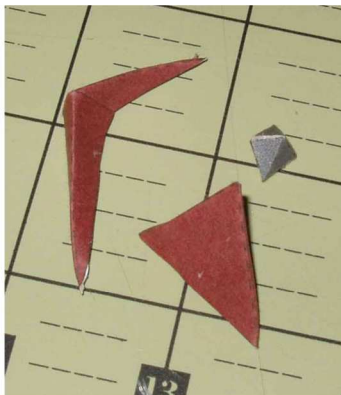

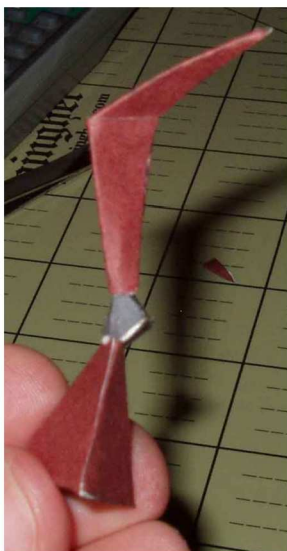

Attach to the body

Construct parts 37-40

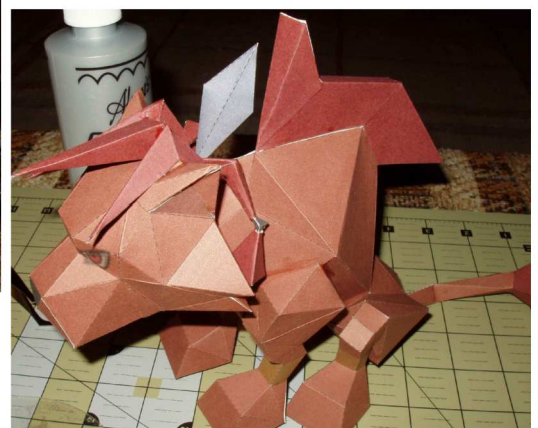

Attach to the head, punching a small hole to insert part 40

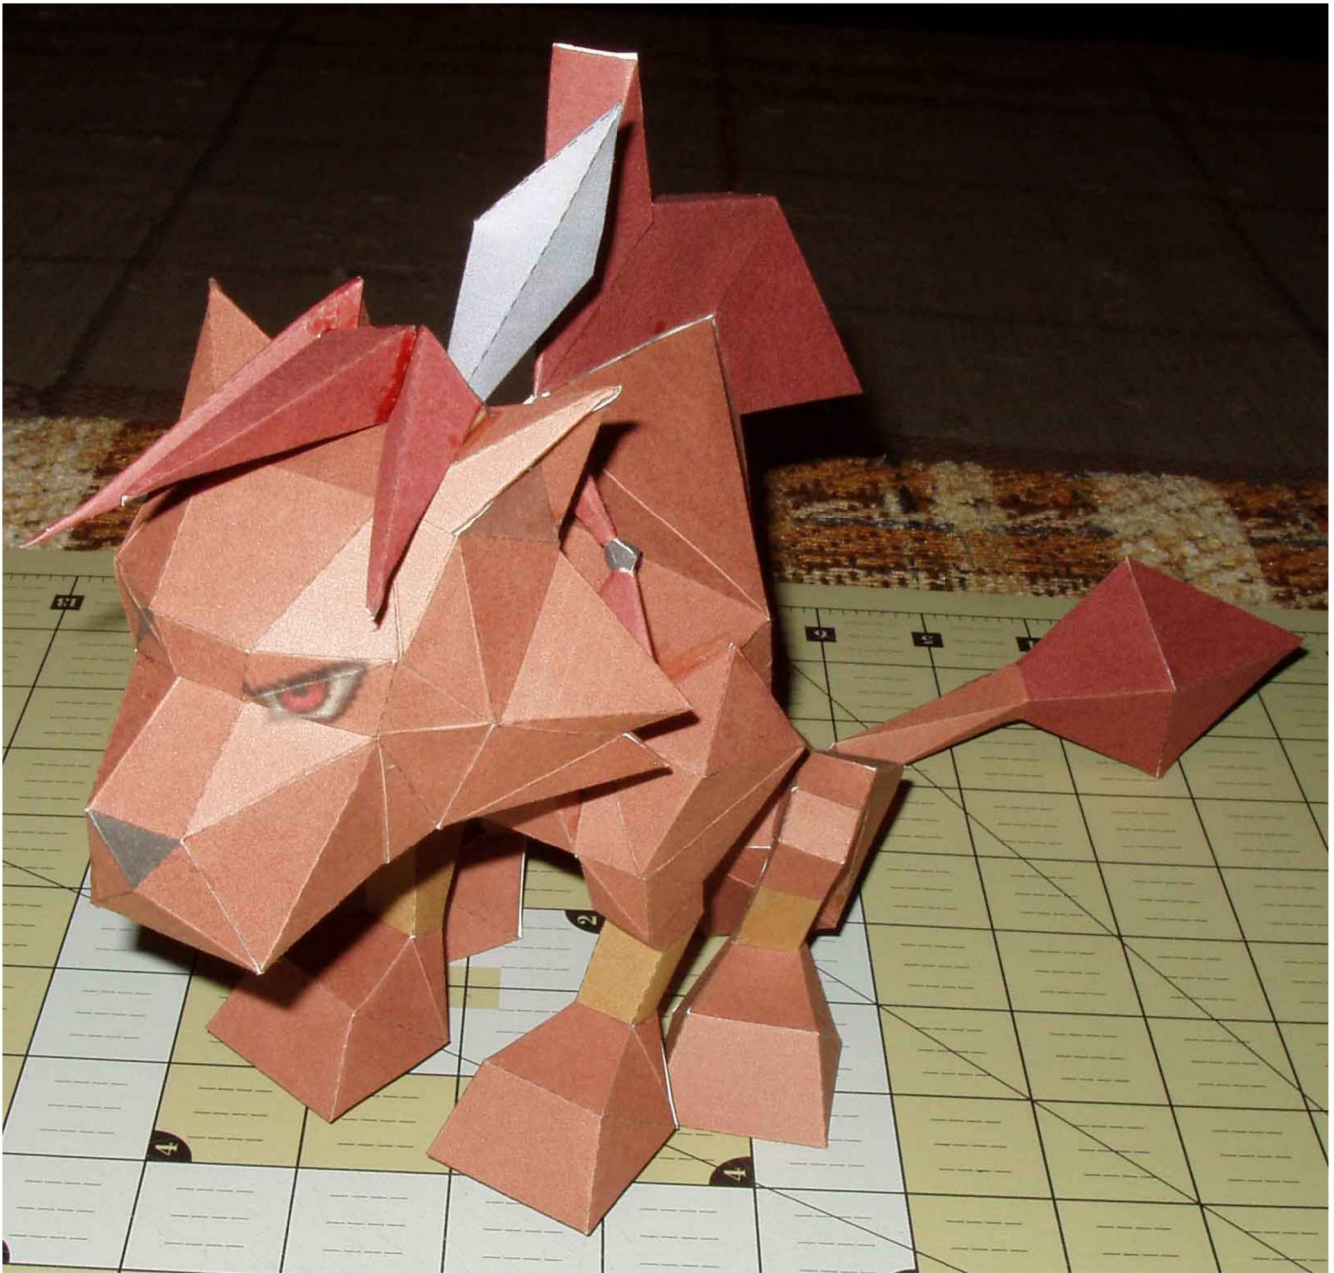

Construct parts 41-43, cut the tips off of parts 41 and 42, then build the braid.

Repeat for parts 44-46 and attach to the head

Now go save the world with some eco-terrorists
for your inexplicably trans-racial grandfather.

And, ya know...go easy on your dad...
